

# Daihatsu Sirion 1.3-16VComfort (1.250, EUR)

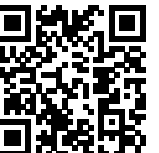

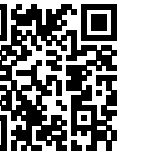

Locatie **Noord-Holland, Purmerend**  
<https://www.advertentiax.nl/x-2076755-z>

Sportieve Daihatsu, APK tot 18/09/2025. Moet weg vanwege nieuw auto maar rijdt nog lekker.  
 Auto heeft airco maar die werkt niet meer.  
 09-2023 zijn de Bobines, luchtfilter, bougies en oliefilter vervangen tijdens grote beurt.  
 02-2021 is de koppeling vervangen.

Verder heeft auto meerdere beschadigingen aan de buitenkant, zie foto's. Hij rijdt verder.

|                                                                                                                                                                                                                                    |                                                                                                                                                                                                                                     |                                                                                                                                                                                                                                     |                                                                                                                                                                                                                                     |                                                                                                                                                                                                                                      |                                                                                                                                                                                                                                       |                                                                                                                                                                                                                                       |                                                                                                                                                                                                                                       |                                                                                                                                                                                                                                       |                                                                                                                                                                                                                                       |
