

Edgeswitch 24 250W PoE stille noctua fans (150 EUR)

Locatie Gelderland, Wageningen  
<https://www.advertentiax.nl/x-2079872-z>

Nog een prima switch voor MKB of homelab. 24 RJ45 gbit poorten met PoE+ en 24V passief. 2x sfp poorten (gbit). Managed via een web interface centraal via uisp of de oude web interface met zeer veel L3 functionaliteit.  
Voorzien van Noctua fans. Hierdoor een stuk stiller dan de stock!

|                                                                                                                                                                                                                                               |                                                                                                                                                                                                                                                |                                                                                                                                                                                                                                                |                                                                                                                                                                                                                                                |                                                                                                                                                                                                                                                 |                                                                                                                                                                                                                                                  |                                                                                                                                                                                                                                                  |                                                                                                                                                                                                                                                  |                                                                                                                                                                                                                                                  |                                                                                                                                                                                                                                                  |
