

FritzDECT 200 Smart Plug Energie Monitor Stopkontakt (35 EUR)

Locatie Zuid-Holland, The Hague

I would like to sell this Fritz DECT 200 Smart Switch. This device requires a Fritzbox to connect to. It can also measure temperature and electric power consumption or, e.g. in case of solar panels, power generation.

The plug is in like-new condition and works as it should.

Pick up in the Hague. Payment in cash at pick-up.

I am selling the items as a private individual - therefore I do not offer any warranty on them and do not accept.
