Completely new tablet with 2 years warranty, packing slip with the payment on my name. I sell this tablet because I have to move suddenly (just got last week a letter, this house is closed by Gemeente) and that's gonna cost me. It's your lucky day, new tablet for 715 euros and believe me this tab it's amazing. Delivery personally and i will not negotiate the price. I paid 1100 euros for this tablet, i cannot go lower than 715 euros. Is a photo where you are able to see the date when i buy this tablet. Payment from bank transfer by Tikkie, in this way i don't risk to get some fake money. Scammers, just stay away from me,. I live in Gennep, delivery only personally, i'm not sending by post. P.S. This tablet is huge, a 14.6 inch, android 14 and One UI 6.1.1. CHARGER, you will need to buy for yourself, i didn't get any charger in the.
