

## GEVRAAGD hulp bij studiekeuze

Locatie **Utrecht, Abcoude**  
<https://www.advertentiax.nl/x-2087869-z>

GEVRAAGD

Hulp bij studiekeuze.

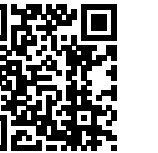

Volwassen onderwijs

Bij voorkeur MHBO of mbo (3 of 4 jaar)

Gezocht: een praktijkgerichte opleiding waarbij een startup opgericht wordt. Het bedrijf wordt een non profit, social enterprise (consultancybureau).

Omgeving N/Z Holland, Utrecht of online.

Alle tips zijn welkom ! Van iemand met een achtergrond in studiekeuzebegeleiding, studiekeuzecoaching, studiekeuzeadvies, loopbaanbegeleiding, uit eigen ervaring, o.i.d., hoor ik het!

|                                                                                                                                                                                                                                  |                                                                                                                                                                                                                                   |                                                                                                                                                                                                                                   |                                                                                                                                                                                                                                   |                                                                                                                                                                                                                                    |                                                                                                                                                                                                                                     |                                                                                                                                                                                                                                     |                                                                                                                                                                                                                                     |                                                                                                                                                                                                                                     |                                                                                                                                                                                                                                     |
