MSI Cyborg 15 A12V - Perfect Condition, Only 3 Months Old + Aerox 5 Wireless Mouse
 Description:

I'm selling my MSI Cyborg 15 A12V laptop, which is in perfect condition. It's only 3 months old and has been mainly used to play League of Legends, so it's had very light usage and performs flawlessly. I originally purchased it for €1,200, but now I'm letting it go for €800, and I'm open to negotiation. Bonus: I'll also include my Aerox 5 Wireless Mouse, which is only 2 months old and in excellent condition, perfect for gamers!

Laptop Specs:

Intel Core i7 12th Gen processor
 NVIDIA GeForce RTX 3050 graphics card
 15.6" Full HD display
 16GB RAM and 512GB SSD for fast storage and multitasking

I'm selling because I'm moving to Australia for 6 months and need extra cash for the journey, otherwise I'd keep this fantastic setup.

Only cash payments and in-person transactions will be accepted. Pickup is in Tilburg, Netherlands, or another nearby city in the Netherlands.

If you're interested, feel free to reach out to me via WhatsApp at +31644560335. This is a great deal for anyone looking for a powerful gaming laptop, and I'm happy to answer any questions or discuss!
