Good carrier bike with 3 wheels in a good working condition. Goes with the tent, internal mats on seats and floor, lock. There are minor defects on the exterior of the box, the lights are not working (they were bad from the beginning) , battery is working , but it is repaired, so probably would be better to order a new one. The bike was bought new in 2022, and was serviced regularly. It is a very reliable bike, which can work for you for years. I had Vogue before, and it was very dissapointing, but this one is really good. Matts is fast! Easy to drive..
