The Getac F110 G4 Fully Rugged Tablet PC is in very good condition and comes with several brand new accessories.

It includes 2 brand new batteries, a brand new 1TB SSD and an original Getac Heavy Duty Vehicle Adapter

The device has an unknown bios password, but that has no influence on the device. It starts normal and everything works good.

The batteries are also brand new and still sealed in their original packaging. This tablet PC is designed for use in extreme work conditions and is trusted by the Military, Police, Firefighters, and other highly hazardous industries.

It features an HDMI port, front and back webcams, and a SIM card slot for Mobile WiFi.
 All port covers are intact and in very good condition.

If you let me know your preferred language for Windows 10 Pro, I will install and activate it for you.

All port covers are complete and in very good condition
 The touchscreen works flawlessly and responds fast
