

Production Employee

Locatie **Limburg, Tienray**
<https://www.advertentiex.nl/x-2090699-z>

Inleiding

Are you a hands-on worker with an affinity for the production of building materials? For a company in the region we are looking for a Production Employee who wants to contribute to the production of high quality concrete elements.

Bedrijfsomschrijving

Our client is a company that has been around for 86 years and has grown into an organization with as many as 8 specialized concrete companies. They also manufacture precast retaining walls, gratings and concrete slabs. The company offers customers a wide range of industrial slabs, and waterproofing slabs, with craftsmanship and fast service at the core of their business.

Functieomschrijving

In this role, you will be responsible for performing simple production tasks under supervision. Your tasks include manufacturing concrete elements according to drawing and/or work instructions. Together with your colleagues, you ensure that each product meets the set quality standards.

Your tasks include:
