

Ford B-Max 1.0 Ecoboost 74KW100PK 2013 Zwart (6.500, EUR)

Locatie Zuid-Holland, The Hague  
<https://www.advertentiax.nl/x-2092759-z>

Prachtige auto in nieuwstaat. Geen schade, in alle opzichten in top conditie, dealer onderhouden, onderhoudsboekje actueel (jaarlijks bijgehouden). Laatste beurt juli 2024. Motor 100% in orde. Electronisch van alle gemakken voorzien (board computer, wifi, radio, cruise control, automatische vergrendeling ramen en deuren, automatische buitenspiegel, parkeer assistant etc). Schuifdeuren links en rechts, waardoor makkelijk in-en uitstappen en in auto plaasten van kleine.

|                                                                                                                                                                                                                                                  |                                                                                                                                                                                                                                                   |                                                                                                                                                                                                                                                   |                                                                                                                                                                                                                                                   |                                                                                                                                                                                                                                                    |                                                                                                                                                                                                                                                     |                                                                                                                                                                                                                                                     |                                                                                                                                                                                                                                                     |                                                                                                                                                                                                                                                     |                                                                                                                                                                                                                                                     |
