

## BMW R 1200 GS LC Adventure (13.250 EUR)

Locatie **Noord-Holland, Nieuwe Niedorp**  
<https://www.advertentiax.nl/x-2095889-z>

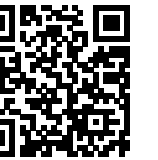

Wegens aanschaf van een andere motor mag deze nette, stoere complete motor na lang te hebben getwijfeld, naar een nieuwe eigenaar.

Alle originele onderdelen zitten erbij.  
 Handkappen, ruiten, buddyseat enz.

- nieuwe achterband (Michelin Road6)
- quickshifter/ schakelassistent
- altijd onderhouden bij BMW Dusseldorp Alkmaar
- Aluminium kofferset
- originele beugels voor de variokoffers zitten er ook nog op. Dus makkelijk te wisselen naar Vario

### ZEER COMPLEET UITGERUST:

- 0233 Touring pakket
- 0235 Dynamic pakket
- 0230 Comfort Pakket
- 0221 Boardcomputer Pro
- 0224 Rijmodi Pro
- 0191 Dynamic ESA
- 0192 LED Koplamp

|                                                                                                                                                                                                                                  |                                                                                                                                                                                                                                   |                                                                                                                                                                                                                                   |                                                                                                                                                                                                                                   |                                                                                                                                                                                                                                    |                                                                                                                                                                                                                                     |                                                                                                                                                                                                                                     |                                                                                                                                                                                                                                     |                                                                                                                                                                                                                                     |                                                                                                                                                                                                                                     |
