

# Mitsubishi Carisma 1.6 GLX (900 EUR)

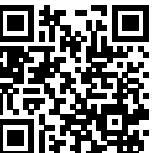

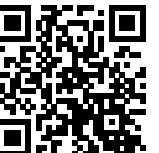

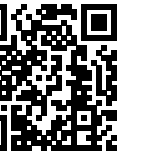

Locatie Zuid-Holland, Nieuwkoop  
<https://www.advertentiax.nl/x-225311-z>

Bouwjaar: 1997  
 Kilometerstand: 224278 km  
 Versnellingstype: Handgeschakeld  
 Aantal deuren: 5  
 Brandstof: Benzine  
 Gewicht: 1085 kg  
 Cilinderinhoud: 1597 cc  
 Vermogen: 73 kW / 99 pk  
 APK datum: 13-02-2015  
 BTW/Marge: BTW  
 Kleur: blauw

Bijzonderheden  
 Prima auto aangeboden van een oude man geweest die nu niet meer kan rijden.  
 de auto is goed onderhouden geweest, Koppeling onlangs vervangen wegens slijtage,  
 remleidingen, remmen, banden.

rijd en schakelt prima en kan bij lokale garage op de brug evt. gezien worden.

|                                                                                                                                                                                                                         |                                                                                                                                                                                                                          |                                                                                                                                                                                                                          |                                                                                                                                                                                                                          |                                                                                                                                                                                                                                                                        |                                                                                                                                                                                                                                                    |                                                                                                                                                                                                                                              |                                                                                                                                                                                                                                                                                         |                                                                                                                                                                                                                                                                            |                                                                                                                                                                                                                                                                                                                                       |
