

## Een grooooooot hart....van sisal touw (20 EUR)

Locatie **Drenthe, Diever**  
<https://www.advertentiex.nl/x-261347-z>

Een drievoudig handgemaakt hart van sisaltouw, d.w.z. drie harten van touw op elkaar bevestigd tot één groot, robuust, stoer hart.

Het hart is afgewerkt met een kanten lint en een voile strik.

Stoer, robuust, romantisch.

Voor zowel binnen als buiten.

Ik heb nog twee handgemaakte (dubbele) harten in de verkoop.  
 Zie de afzonderlijke advertenties.

Afmeting:  
 het hart is 41 cm breed en 43 cm lang.

Vaste verkoopprijs: € 20,00.

Bij verzending komen de portokosten voor rekening van de koper (PostNL pakketpost).

|                                                                                                                                                                                                                                    |                                                                                                                                                                                                                                     |                                                                                                                                                                                                                                     |                                                                                                                                                                                                                                     |                                                                                                                                                                                                                                      |                                                                                                                                                                                                                                       |                                                                                                                                                                                                                                       |                                                                                                                                                                                                                                       |                                                                                                                                                                                                                                       |                                                                                                                                                                                                                                       |
