

# Top Line Pioneer prs-200d versterker (0 EUR)

Locatie **Flevoland, Almere**  
<https://www.advertentiax.nl/x-288712-z>

Specificaties  
 Belangrijkste kenmerken PRS-D200  
 Max. output power: 2 x 300 W (4 O)/1 x 1200 W (4 O) Max.  
 Continuous output power (14.4 V): 2 x 150 W (20 20 kHz, 4 O)/2 x 300 W (1 kHz, 2 O)/1 x 600 W (1 kHz, 4 O, Bridge)  
 Load impedance capability: 2 8 O  
 Variable LPF/HPF (Low Pass Filter/High Pass Filter): 40 120 Hz, -12 dB/oct  
 Gold-plated RCA (In/Out)  
 Hi-Volt Input (400mV - 6.5V)  
 Specificaties PRS-D200  
 Maximum uitgangsvermogen 1200 W x 1 (4 Ohm) / 300 W x 2 (4 Ohm)  
 DIN uitgangsvermogen (W), (DIN45324, +B = 14.4V)  
 Continu uitgangsvermogen(RMS) Cont. power output (RMS), 14.4V (20-20kHz/4ohms): 2 x 150 W  
 Cont. power output (RMS), 14.4V (20-20kHz/2ohms): 2 x 300 W  
 Cont. power output (RMS), 14.4V (Bridged 4 ohms): 1 x 600 W

Impedantie (2 - 8 Ohm allowable) =4  
 Frequentiebereik 10 Hz - 40kHz Hz  
 Vervorming 100 dB  
 Bass Boost 50 Hz, 0/6/9/12 dB (remote)

|                                                                                                                                                                                                                                   |                                                                                                                                                                                                                                    |                                                                                                                                                                                                                                    |                                                                                                                                                                                                                                    |                                                                                                                                                                                                                                     |                                                                                                                                                                                                                                      |                                                                                                                                                                                                                                      |                                                                                                                                                                                                                                      |                                                                                                                                                                                                                                      |                                                                                                                                                                                                                                      |

LPF 40 - 120 Hz (-12dB/oct)  
 HPF 10 - 120 Hz (-12dB/oct)  
 Input: 400mV - 6.5V (Hi-Volt Input)  
 Output: 2 x 300 W (1 kHz, 2 O)/1 x 600 W (1 kHz, 4 O, Bridge)  
 Chassisgrootte (B x H x D) 304 x 56 x 202 mm  
 Gewicht 0.9 kg  
 Lot op: beden vanaf 125,-  
 INBOUW MOGELIJK BIJ CARDELUXE ALMERE
