

# Philips DC 302 autoradio cassette-speler (0 EUR)

Locatie **Noord-Brabant, Haaren**  
<https://www.advertentiax.nl/x-300508-z>

Deze autoradio cassette speler is in nieuwstaat.  
 Hij is origineel van 1996.  
 Compleet met boekje en originele bekabeling.  
 uiteraard is hij 100% goed.  
 mooi voor in eel old-timer of een andere oude auto!

Ophalen of verzenden is beide mogelijk.  
 Bekijk de foto's en doe een leuk!

|                                                                                                                                                                                                                                       |                                                                                                                                                                                                                                        |                                                                                                                                                                                                                                        |                                                                                                                                                                                                                                        |                                                                                                                                                                                                                                         |                                                                                                                                                                                                                                          |                                                                                                                                                                                                                                          |                                                                                                                                                                                                                                          |                                                                                                                                                                                                                                          |                                                                                                                                                                                                                                          |
