Thomson SpeedTouch 510i router

The SpeedTouch 510 is an ADSL1/2/2+ router with one RJ-11 WAN port and four 10/100Mbps LAN ports.

This router supports VPN pass-through for IPsec and PPTP. It features a built-in SPI firewall to protect the network against hackers and Denial of Service (DoS) attacks.

The router can be easily configured via Web-based configuration utility or SNMP v.1.
