Whether your ride includes chilly mountain passes or a soggy morning commute the Patrol Waterproof Jacket has you covered. Representing our most technically advanced all weather riding jacket, the Patrol will go the distance with unmatched safety, comfort and weather protection. To keep out the wind and rain, the abrasion resistant nylon chassis is fully seam-sealed and includes waterproof YKK zippers and a quick action magnetic storm flap. Mounted within the chassis is a full complement of Field Armor CE approved impact protectors. A full 3M reflective graphics package provides optimum nighttime visibility. Six intake and exhaust ports provide ample mechanical ventilation while the removable Thermolite insulated liner helps keep your core temperature regulated. Externally we added enough pockets to carry everything you need for distance rides and included a removable external hydration pocket to hold a 1.5 liters waterpack (not included). Yellow colorway meet U.S. military PPE hi-visibility specifications Icon relaxed fit Waterproof seam sealed nylon textile chassis Removable Icon CE field armor impact protector elbow and shoulder Removable Icon dual-density foam back pad Heavyweight ballistic impact panels YKK waterproof zippers Magnetic storm flap closures 3M reflective panels Multiple intake and exhaust vents Removable hydration pocket (bladder not included) Twelve storage pockets Removable Thermolite insulated liner Upgradable to stryker CE back protector
