

# Mazda MX5 2.0 2008 NC Coupe (18 EUR)

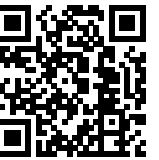

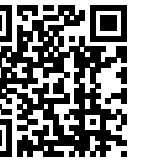

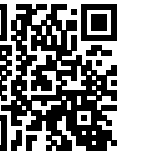

Locatie **Zuid-Holland, Rotterdam**  
<https://www.advertentiax.nl/x-317905-z>

Mazda 2.0 NC Touring Coupe (165 PK)  
 Kleur: Blue Mica  
 Interieur: Cognac (bruin) lederen bekleding  
 Dak: Elektrische bedienbare hardtop:  
 Bouwjaar: januari 2008  
 Km: 32.450

Ik ben nu de derde eigenaar van de MX5. Hij is in topstaat en volledig schadevrij. Hij is optisch en technisch in een perfecte staat.  
 De auto is gekocht bij Team Scholte. De aankoopnota en boekjes + alle twee de sleutels zijn erbij.  
 Per knopdruk verandert de MX5 Coupé in een echte MX5 Roadster zonder verlies aan bagageruimte.  
 Heerlijk voor zowel de winter als de zomer. Zeker met de stoelverwarming. Hij heeft een BOSE soundsysteem met 6 CD wisselaar. Tevens heb ik er het originele NC kofferrek opzitten met derde remlicht (twv 375,-).

Veel extra's waaronder:  
 Elektrische ramen  
 Elektrische koplampverstelling  
 Electrisch klapdak (2-delig)  
 Climat Control

Verwarmde spiegels  
 ABS  
 4x Airbags  
 Traction Control  
 Bose Radio/CD System  
 7 geluidsboxen  
 Radio/CD bediening op stuurwiel  
 Windscherm

|                                                                                                                                                                                                                  |                                                                                                                                                                                                                   |                                                                                                                                                                                                                   |                                                                                                                                                                                                                   |                                                                                                                                                                                                                    |                                                                                                                                                                                                                     |                                                                                                                                                                                                                     |                                                                                                                                                                                                                     |                                                                                                                                                                                                                     |                                                                                                                                                                                                                     |
