Gebruikt, maar makkelijk te varen board.

Introducing the ALL NEW 6'0 x 18 3/8 Trespass is the ultimate performance stick for medium and larger sized riders. This board has our larger team riders (read Cornfed) going absolutely ape over the new 6'0 x 18.35s fast, yet crisp and controlled shape. While excelling in head high or bigger, top to bottom surf, it's also super fun in waist high slop. Comparing it to the old 6'0 x 19, the new shape has less volume in the nose and tends to be faster down the line. Compared to the 5'10, it offers the same speed, control, with a little more glide for medium to larger riders. Demo this board to day, it'll knock your socks.
