Dear new Owner,

I am a beautiful black Renault Megane whose owner does not have opportunity to use me and have decided that I deserve a better life than just sitting in the garage.

During my young 5 years of life I drove my current owner to numerous amazing place which resulted in having 45,300km on my clock while being taken for the maintainance checks regularly.

My external beauty is accompanied with interior that has many charming characteristics which will make your drive enjoyable:

- Two zoned automatic AirCondition
- Cruise control and Speed limiter
- Bluetooth for phone and music, including USB plug
- Aluminum door steps
- and many more

Together with me, new owner will receive additional set of winter tires that are almost new (drove 1,000km) just for FREE!!!

Looking forward to my new
