

# Intel Express 410T standalone 16 ports switch

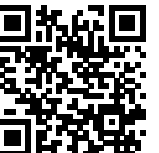

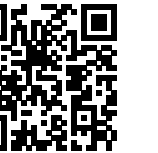

Locatie **Noord-Holland, Amsterdam**  
<https://www.advertentieX.nl/x-392722-z>

Bij deze bied ik mijn switch aan.

Het is een Intel® Express 410T Standalone Switch met 16 poorten.

De poorten zijn 10/100 Mb/s.

Hij werkt nog.

|                                                                                                                                                                                                                                                |                                                                                                                                                                                                                                                 |                                                                                                                                                                                                                                                 |                                                                                                                                                                                                                                                 |                                                                                                                                                                                                                                                  |                                                                                                                                                                                                                                                   |                                                                                                                                                                                                                                                   |                                                                                                                                                                                                                                                   |                                                                                                                                                                                                                                                   |                                                                                                                                                                                                                                                   |
