PTTM is an allround speed & restoration shop specialised in
High quality US classicMusclecars and we build custom cars.

We restore and hand build cars in our own shops and build all types
of high-end musclecars such as original classics, Pro-touring , race
and custom build cars. All the work is done in our own facilities and
besides a large workshop we have our own body and paintshop and
engine build department. We also import cars and have a large parts
shop and a showroom with cars for sale.

Besides that we also can build the car of your dreams from start
to finish and we also can restore YOUR car or find a car for you.

We have build & restored many cars and more than 150 engines and drivetrainsand have more than 35
years of experience.
