PTTM is an allround speed & restoration shop specialised in  
High quality US classicMusclecars and we build custom cars.

We restore and hand build cars in our own shops and build all types  
of high-end musclecars such as original classics, Pro-touring , race  
and custom build cars. All the work is done in our own facilities and  
besides a large workshop we have our own body and paintshop and  
engine build department. We also import cars and have a large parts  
shop and a showroom with cars for sale.

Besides that we also can build the car of your dreams from start  
to finish and we also can restore YOUR car or find a car for you.

We have build & restored many cars and more than 150 engines and drivetrainsand have more than 35  
years of experience.
