

## Give your YAMAHA a bad look

Locatie **Noord-Holland, Heerhugowaard**  
<https://www.advertentiax.nl/x-419411-z>

Diverse 'standaard' onderdelen, bellypans voor jouw YAMAHA, maar ook universele onderdelen om jouw YAMAHA jouw persoonlijke look te geven !

GIVE YOUR BIKE A BAD LOOK !

Diverse streetfighter / naked bike parts, maar ook diverse kuipdelen voor uw 'standaard' motor, classicbike / oldtimer of café racer, mail ons vrijblijvend welk onderdeel u zoekt of mail ons foto als voorbeeld hoe uw droomfiets er uit moet gaan zien.

Wij zijn gevestigd in Nederland maar wij verzenden uiteraard ook naar België.

- verzendkosten Nederland €6,50 ,Belgie €15 (beiden aangetekend en met track&trace)
- Bij bestelling meerdere 'plastic' parts, geen verzendkosten.
- Betaling via paypal of verzenden onder rembours behoort ook tot de mogelijkheden.
- Bestellen kan snel en simpel via de mail 24/7 !!!

- Onhalen of bezichtigen op afspraak mogelijk !

|                                                                                                                                                                                                                          |                                                                                                                                                                                                                           |                                                                                                                                                                                                                           |                                                                                                                                                                                                                           |                                                                                                                                                                                                                            |                                                                                                                                                                                                                             |                                                                                                                                                                                                                             |                                                                                                                                                                                                                             |                                                                                                                                                                                                                             |                                                                                                                                                                                                                             |
