

## Zuinige NASMediacenter Quad Q1900SSD8GBBitfenixDVD-RW (249 EUR)

Locatie **Noord-Holland, Amsterdam**  
<https://www.advertentiax.nl/x-419909-z>

Ik heb nog veel meer computers staan, Zowel game als office PC'S.  
 In verschillende prijsklassen, voor een overzicht klik op de knop "bekijk alle advertenties"

Ben bereikbaar van 10.00 tot 18.00 op alle dagen behalve woensdag en zondag.  
 Dus gelieve alleen te bellen op de aangegeven tijden/dagen.  
 Mailen kan natuurlijk altijd, ik reageer altijd binnen 24 uur.

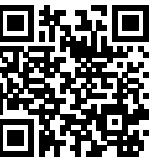

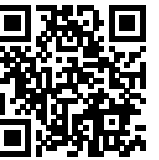

Dit systeem is bedoeld als mediacenter/NAS, je kan er zo nog een paar schijven aan toevoegen.  
 Beschikt over 8GB DDR3 werkgeheugen, een DVD-Brander en een 32GB SSD harde schijf.  
 Moederbord beschikt over 1 x PCI-ex x1 slot voor bijvoorbeeld een schijfcontroller/videokaart.  
 Er is fysieke ruimte voor 5 x 3,5" schijven, brackets zitten er al in!

Vaste prijs € 249,- voor de complete systeemkast.

Prijzen bij mij staan vast, ik verkoop geen rommel.  
 Is het te duur, zoek dan verder.  
 Op lagere biedingen ga ik niet in.  
 Bij oprechte interesse gaarne te bellen.

Behuizing: BitFenix Prodigy.

Voeding: BeQuiet 300Watt  
 CPU: Intel X32  
 OS: Windows 7  
 DVD-Brander: Kingston  
 Moederbord: ASRock Q1900-ITX (bon + garantie)  
 CPU/Soc: Quad-Core Intel Celeron J1900  
 Speelheid 4 x 2GHz  
 Maximal TDP processor 10W  
 Dual of Single BIOS/UEFI Dual  
 Geheugen

|                                                                                                                                                                                                                                                                                                                  |                                                                                                                                                                                                                                                                                                                   |                                                                                                                                                                                                                                                                                                                   |                                                                                                                                                                                                                                                                                                                   |                                                                                                                                                                                                                                                                                                                    |                                                                                                                                                                                                                                                                                                                     |                                                                                                                                                                                                                                                                                                                     |                                                                                                                                                                                                                                                                                                                     |                                                                                                                                                                                                                                                                                                                     |                                                                                                                                                                                                                                                                                                                     |
