The call of adventure beckons to every man's soul. A primal need to explore the limits of earth, body, and mind. The Patrol Raiden jacket is the ultimate companion in this quest. Built on our proven Patrol jacket chassis, the Raiden is a fully waterproof, all-weather, all-environment riding jacket. To keep out the wind and rain, the abrasion resistant nylon chassis is fully seam-sealed and includes waterproof YKK zippers and a quick action magnetic storm flap. Mounted within the chassis is a full complement of Field Armor CE approved impact protectors. A full 3M reflective graphics package provides optimum nighttime visibility. Six intake and exhaust ports provide ample mechanical ventilation while the removable Thermolite insulated liner helps keep your core temperature regulated. Externally we added enough pockets to carry everything you need for distance rides and included a removable external hydration pocket to hold a 1.5 liters waterpack (not included).
