

# Invader 120PK Speedboot Kanteltrailer (3.950 EUR)

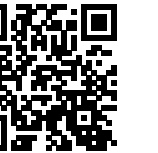

Locatie **Noord-Holland, Amsterdam**  
<https://www.advertentiax.nl/x-451072-z>

INVADER 120PK Speedboot + Kanteltrailer!

Goed onderhouden speedboot, alles werkt.  
 Mercruiser motor met Alpha One staartstuk.  
 Boot is opnieuw gespoten onder de stootrand.  
 Trailer is ook goed, geheel nagezien.  
 Boot is compleet gepoetst en gereinigd en staat nu gestald.  
 Registratie pas/bewijs is uiteraard aanwezig.

- Opties:
- Trim functie
  - Radio
  - Brandblusser
  - Verlichting
  - LED verlichting op trailer
  - 6 zwemvesten
  - 2 afdek zeilen

Nieuwe gemonteerde onderdelen:

|                                                                                                                                                                                                                                        |                                                                                                                                                                                                                                         |                                                                                                                                                                                                                                         |                                                                                                                                                                                                                                         |                                                                                                                                                                                                                                          |                                                                                                                                                                                                                                           |                                                                                                                                                                                                                                           |                                                                                                                                                                                                                                           |                                                                                                                                                                                                                                           |                                                                                                                                                                                                                                           |
