

MacBook Air 13034 128GB SSD, OS X Yosemite (495 EUR)

Locatie **Noord-Holland, Amsterdam**
<https://www.advertentieX.nl/x-454046-z>

Very well cared for, in perfect working condition. A few minor blemishes on aluminum case. Battery in good condition. Original power supply included. Freshly installed with OS X Yosemite, waiting to be configured for first user. It is ready like a new computer, when you turn it on it prompts you to enter your location, keyboard preference and to create a user, then you are good to go.
