

## Intel I3 NUC, 120GB SSD, 4GB DDR3, Windows 8.1 64 bit NL (634,95 EUR)

Locatie **Noord-Holland, Amsterdam**  
<https://www.advertentiax.nl/x-456472-z>

123elektronica is gespecialiseerd in small factor systems. Dit zijn kleine op maat gemaakte systemen. Krachtige stille systemen met de nieuwste technologieën maken uw systeem compleet. Alleen de aller beste A-merken worden voor u geselecteerd.

### Productinformatie

Intel NUC I3-4010U systeem

Afmeting: 117 x 35 x 112mm

Processor:  
 Intel I3-4010U, 2 processorkernen  
 2x 1700 MHz, 3072 KB L3 cache

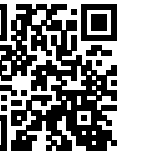

Geheugen:  
 4GB DDR3 SO-DIMM 1600 Kingston

Harde schijf:  
 120GB Kingston mSATA SSD

Voor: 2x USB 3.0, hoofdtelefoon/microfoon combi aansluiting  
 Achter: 2x USB 3.0, Mini DisplayPort, LAN, Mini DMI, RJ-45 Graphics Onboard, Intel HD Graphics 4400  
 Network: Gigabit LAN

Voeding: 65 watt uitlevering  
 Met Windows 8.1 64 bit Nederlands

|                                                                                                                                                                                                                                                          |                                                                                                                                                                                                                                                           |                                                                                                                                                                                                                                                           |                                                                                                                                                                                                                                                           |                                                                                                                                                                                                                                                            |                                                                                                                                                                                                                                                             |                                                                                                                                                                                                                                                             |                                                                                                                                                                                                                                                             |                                                                                                                                                                                                                                                             |                                                                                                                                                                                                                                                             |
