

## HP Elite 7100 MT i 3 ( 4 x 3.07 Ghz )

Locatie **Noord-Holland, Amsterdam**  
<https://www.advertentiax.nl/x-461374-z>

HP Elite 7100 MT i 3 ( 4 x 3.07 Ghz )  
 CPU en moederbord  
 CPU/SoC Intel Core i3- 4 x 3.07 Ghz  
 CPU architectuur Intel Broadwell  
 Moederbordchipset Intel H57  
 Geheugen  
 Geheugengrootte 8 GB  
 Geheugentype DDR3 (SODIMM)  
 Opslag  
 Hardschijf bus SATA-300  
 Opslagcapaciteit 500GB  
 Optische Drive Type DVD+/-RW  
 Verbindingen  
 Verbinding (USB/FW) Firewire 400, 9x USB 2.0  
 Video uit D-Sub (VGA), DVI-D  
 Verbinding (Ethernet) Ethernet 1Gbps  
 Overige specificaties  
 Besturingssysteem :Windows 7 Professional  
 Kleuren Zwart  
 Op de kast zit ook een Windows 7 licentie

|                                                                                                                                                                                                                                  |                                                                                                                                                                                                                                   |                                                                                                                                                                                                                                   |                                                                                                                                                                                                                                   |                                                                                                                                                                                                                                    |                                                                                                                                                                                                                                     |                                                                                                                                                                                                                                     |                                                                                                                                                                                                                                     |                                                                                                                                                                                                                                     |                                                                                                                                                                                                                                     |
