

JBL versterker gto 6000 1100w

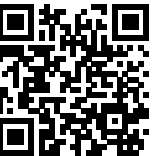

Locatie Noord-Holland, Kortenhoef  
<https://www.advertentiex.nl/x-462872-z>

goed werkende 6 kanaals versterker  
hieronder wat specs.

Number of Channels . . . . 6  
Power Output max . . . . 800W  
RMS Bridged Power Output ,4 Ohm . 550W  
RMS Power Output,2 Ohm .4 x 75W/2 x 125W  
RMS Power Output,4 Ohm .  
4 x 50W/2 x 75W  
THD@Rated Output. . . 0.10%  
SNR (A - weighted) .  
>92dB  
Frequency response 10Hz-40kHz  
Active crossover(cont.var.)  
30-320Hz  
Crossover settings . .HP/off+LP/OFF  
Crossover slope . 12dB/oct  
Input  
100mV-4V

Bass Boost +6dB

|                                                                                                                                                                                                                    |                                                                                                                                                                                                                     |                                                                                                                                                                                                                     |                                                                                                                                                                                                                     |                                                                                                                                                                                                                      |                                                                                                                                                                                                                       |                                                                                                                                                                                                                       |                                                                                                                                                                                                                       |                                                                                                                                                                                                                       |                                                                                                                                                                                                                       |
