ZX 400.1 Series Class D Monoblock Car Amplifier  
RMS Power Rating (14.4V): ?4 ohms: 200 watts x 1 chan.  
?2 ohms: 400 watts x 1 chan.

- High efficiency MOSFET power supply
- LED power and protection indicators
- Remote bass level input (Kicker 10ZXRC remote level control sold separately)
- Tuned Bass EQ (0-18 dB bass boost at 40 Hz)
- Preamp RCA outputs
- Muting circuit cancels out unwanted noise
- Boost, gain, and crossover frequencies are top-mounted for easy access
- Balanced differential inputs for noise elimination and factory-radio compatibility
- 3 Automatic turn-on modes (remote, DC offset, signal sense)
- Optional edgy vinyl skins for personalizing heat sinks available
- Optional Kicker 08ZXE endcaps are available for all ZX amplifier models
- High-density convection heat sink for extreme heat dissipation
- Gold-plated RCA level inputs
- Gold-plated screw terminals
- Input sensitivity: ?Low level: 125mV-5V
- ?High level: 250mV-10V

|                                                                                                                                                                                                                 |                                                                                                                                                                                                                  |                                                                                                                                                                                                                  |                                                                                                                                                                                                                  |                                                                                                                                                                                                                   |                                                                                                                                                                                                                    |                                                                                                                                                                                                                    |                                                                                                                                                                                                                    |                                                                                                                                                                                                                    |                                                                                                                                                                                                                    |
