

## Daihatsu Cuore 1.0 3D 2008 km 38692 (3.699 EUR)

Locatie **Noord-Holland, Amsterdam**  
<https://www.advertentiax.nl/x-479055-z>

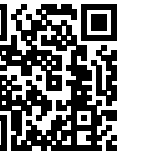

Daihatsu cuore bouwjaar 2008

De cuore heeft 38692 kilometer gereden  
 En nationale autopas gecontroleerd door marktplaats  
 Onderhouds en instructieboekjes zijn aanwezig  
 En ook netjes ingevuld  
 Deze daihatsu cuore heeft elk jaar zijn beurtje gehad  
 Zijn laatste beurt heeft hij op 17.4.2015 gehad  
 Hij heeft zo goed als nieuwe banden  
 Het is absoluut geen rokers auto  
 Hij heeft apk tot en met mei 2016  
 Hij ziet er keurig netjes uit  
 Zowel van binnen als buiten

Heeft u interesse bel voor een afspraak  
 Eventueel ook s, avonds en op zondag

Er komen verder ook geen afleveringskosten bij

Prijs.3.699.00 euro

|                                                                                                                                                                                                                                             |                                                                                                                                                                                                                                              |                                                                                                                                                                                                                                              |                                                                                                                                                                                                                                              |                                                                                                                                                                                                                                               |                                                                                                                                                                                                                                                |                                                                                                                                                                                                                                                |                                                                                                                                                                                                                                                |                                                                                                                                                                                                                                                |                                                                                                                                                                                                                                                |
