Windows Server licensing makes choosing the right edition of Windows Server easier. Choose from four editions of Windows Server, based on the size of your organization and your requirements for virtualization and cloud computing. Windows Server 2012 R2 Datacenter with unlimited virtualization rights provides the benefits of cloud-level scale with predictable, lower costs. Windows Server 2012 R2 Standard offers the same enterprise-class features without unlimited virtualization rights. Windows Server 2012 R2 Essentials is an ideal cloud-connected first.
