

# bluetooth touch adapter spraak v2 vw volkswagen (100 EUR)

Locatie Overijssel, Enschede  
<https://www.advertentiex.nl/x-498903-z>

Hallo,

100% originele spraak gestuurde bluetooth touch adapter aangeboden voor vw volkswagen ten behoeve van handsfree bellen.

Let op,dit is geen normale maar een spraak gestuurde,oftewel duurdere uitvoering.

Absoluut krassen en/of schadevrij,werkend te zien,vandaar ook voorkeur voor ophalen.

Werkt alleen bij volkswagens die fabriek af voorbereiding hebben,oftewel die de houder op het dashboard hebben.

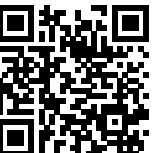

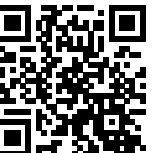

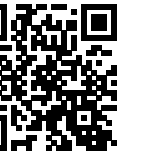

Bij verzenden doe ik dit alleen maar aangetekend en keurig in een bubbels envelop.

Nieuwprijs €252,-

Let op bij bieden, hier komt nog €6,75 verzendkosten bij.

Bij SERIEUZE interesse bieden of mailen.

Groet

|                                                                                                                                                                                                                                                           |                                                                                                                                                                                                                                                            |                                                                                                                                                                                                                                                            |                                                                                                                                                                                                                                                            |                                                                                                                                                                                                                                                             |                                                                                                                                                                                                                                                              |                                                                                                                                                                                                                                                              |                                                                                                                                                                                                                                                              |                                                                                                                                                                                                                                                              |                                                                                                                                                                                                                                                              |
