

## Automaatbak revisie alle types autos (750 EUR)

Locatie **Noord-Brabant, Oss**  
<https://www.advertentiax.nl/x-505854-z>

Automaatbak revisie alle types autos

Deel revisie €750  
 Bij deel revisie vernieuwen wij het kapotte onderdeel van uw automaatbak.

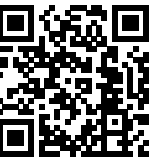

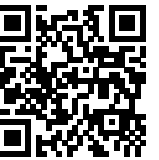

Volledige revisie op aanvraag.

Bij volledige revisie vervangen wij:

Koppeling vormer (Convertor)  
 Pakking set  
 Kleppenblok (Computer)  
 Frictie set  
 Stalenplaat set  
 Olie filter

We hebben binnen 1 of 2 werkdagen uw oude bak volledig gereviseerd.

Eventueel sleepdienst mogelijk. Een volledig jaar garantie op uitgevoerde werk. Of 100.000km bij volledig revisie.

|                                                                                                                                                                                                                                       |                                                                                                                                                                                                                                        |                                                                                                                                                                                                                                        |                                                                                                                                                                                                                                        |                                                                                                                                                                                                                                         |                                                                                                                                                                                                                                          |                                                                                                                                                                                                                                          |                                                                                                                                                                                                                                          |                                                                                                                                                                                                                                          |                                                                                                                                                                                                                                          |
