

## MEASTRO (front)zitmaaier (11,5 pk BampS, hydro, 85 cm mulch) (675 EUR)

Locatie **Noord-Holland, Amsterdam**  
<https://www.advertentiax.nl/x-550856-z>

ILTIS zitmaaier:

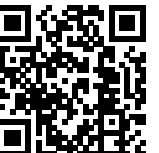

- type 115/85
- 11,5 pk Briggs & Stratton motor
- 85 cm maaidek (mulch)
- GEGALVANISEERD maaidek
- maaihoogte instelbaar van 3,0 - 8,0 cm.
- 5 versnellingen vooruit en 1 achteruit
- achterwielbesturing.

Machine start, loopt en maait prima. Recentelijk accu, stuurkabel en v-snaren vervangen. Is bij ons ingeruild en word als dusdanig verkocht (heeft nog een onderhoudsbeurt nodig). Prijs € 675,- (marge).

U kunt bij ons de machine(s) uitgebreid testen. Ook op zaterdag. Bezorgen, verzenden en inruil behoort tot de mogelijkheden.

Wilt u ons bezoeken graag een telefoontje vooraf daar waar wij niet altijd aanwezig zijn.

Bij voorbaat dank.

|                                                                                                                                                                                                                                                            |                                                                                                                                                                                                                                                             |                                                                                                                                                                                                                                                             |                                                                                                                                                                                                                                                             |                                                                                                                                                                                                                                                              |                                                                                                                                                                                                                                                               |                                                                                                                                                                                                                                                               |                                                                                                                                                                                                                                                               |                                                                                                                                                                                                                                                               |                                                                                                                                                                                                                                                               |
