

## DI380g5 (75 EUR)

Locatie **Noord-Holland, Amsterdam**  
<https://www.advertentiex.nl/x-564965-z>

Deze server heb ik een paar jaar geleden als Spare PC gekocht de voedingen zijn al 150 per stuk waard  
De inrichting van de kast is uitwisbaar met de G6 en G7 dacht ik.

The HP ProLiant DL380, the world's best selling server, delivers on its history of design excellence with enterprise-class uptime and manageability, proven 2-socket Intel® Xeon® performance, and 2U density for a variety of rack deployments and applications.

Processors:

Quad-Core and Dual-Core Intel® Xeon® processors for blazing performance; systems support up to 2 processors (2 processors standard on all Performance models)

Intel® 5000P chipset

Memory:

Up to 64 GB PC2-5300 Fully Buffered DIMMs (DDR2-667) with 4:1 and 2:1 interleaving available, online spare and mirrored memory capabilities

Storage Controller:

Network Controller:

|                                                                                                                                                                  |
|------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| Two embedded NC373i Multifunction Gigabit Network Adapters with TCP/IP Offload Engine, including support for Accelerated iSCSI through an optional licensing Kit |
|------------------------------------------------------------------------------------------------------------------------------------------------------------------|

---

Expansion Slots:

Four available PCI-Express slots, optional mixed PCI-X / PCI-Express configurations available (see "Standard Features -

Expansion Slots" section below for more details)

USB Ports:

USB 2.0 support

5 total ports: (2) ports up front; (2) ports in back; (1) port internal

Redundancy:

Fully redundant hot plug fans (N+1)

Hot plug power supply with optional redundancy (Included in Performance)
