

## Asus Zenfone 2 ZE551ML Zilver WW versie 4GB intern 32GB (299 EUR)

Locatie

Noord-Holland, Amsterdam

<https://www.advertentiax.nl/x-586359-z>

Nieuw in doos, is er alleen uit geweest om op te laden, is nog niet geboot. Gaat weg omdat ik de maat toch wat de fors vindt, en omdat ik eigenlijk niet zo'n krachtige telefoon nodig heb. Factuur is aanwezig, pas 2 dagen in huis op moment van het plaatsten van deze advertentie. Er zit geen foto bij deze advertentie omdat mij andere telefoon, die deze moest vervangen defect en het nu voor mij niet snel lukt om een foto erbij te zetten.

Het is erg nieuwe, prachtige en krachtige telefoon (2.3 Ghz quad core), die zich uitstekend kan meten met toestellen die het dubbele kosten. De belangrijkste voordelen zijn het feit dat hij alle Nederlandse LTE banden ondersteunt (let op: dat is dus niet het geval bij de chinese en USA versies van dit toestel), hij dual sim is, veel werkgeheugen heeft (4GB!), daarnaast nog 32GB opslag heeft, en ook nog eens 128GB extra opslag via zijn MicroSD slot toestaat. Nadeel is dat je hem niet zo even in je binnenzak stopt. Zie de video review op internet, hij komt er erg goed vanaf.

Hij is af te halen in Berkel en Rodenrijs, Rotterdam, of Amersfoort. Opsturen kan eventueel ook.

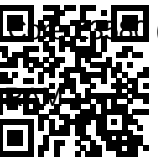

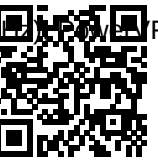

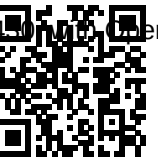

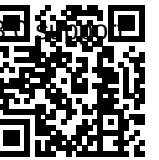

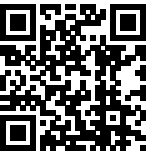

Platform: Android 5.0 (Lollipop)

Color: Silver

Dimensions: 77.2 x 152.5 x 3.9 ~ 10.9 mm (WxDxH)

Weight

170 g

|                                                                                                                                                                                                                                                              |                                                                                                                                                                                                                                                               |                                                                                                                                                                                                                                                               |                                                                                                                                                                                                                                                               |                                                                                                                                                                                                                                                                |                                                                                                                                                                                                                                                                 |                                                                                                                                                                                                                                                                 |                                                                                                                                                                                                                                                                 |                                                                                                                                                                                                                                                                 |                                                                                                                                                                                                                                                                 |
