

## Garrett gt2876r turbo (850 EUR)

Locatie **Groningen, Stadskanaal**  
<https://www.advertentieX.nl/x-598836-z>

Gebruikt maar in zeer goede staat!  
 Blies geen rook voor demontage en heeft 2000km gedraaid op 1,3 bar. Is gebruikt om een motor in te lopen waar nu een gtx aan hangt.  
 Met deze grote 76mm compressor kan er 450pk aan lucht verplaatst worden. En door De gt28 turbine krijg je De turbo erg vlot gespoeld.

Compressor  
 - 76mm 48trim  
 - a/r .70 t04 compressor huis

Turbine  
 - 54mm 76trim  
 - a/r .64 t25 interne wastegate NIET GESCHEURD!

Cartridge  
 - dubbele rvs kogellagers  
 - olie gesmeerd  
 - water gekoeld

Type nummer:Â 705330-5001S

|                                                                                                                                                                                                                    |                                                                                                                                                                                                                     |                                                                                                                                                                                                                     |                                                                                                                                                                                                                     |                                                                                                                                                                                                                      |                                                                                                                                                                                                                       |                                                                                                                                                                                                                       |                                                                                                                                                                                                                       |                                                                                                                                                                                                                       |                                                                                                                                                                                                                       |
