

# Chrysler Grand Voyager 2.8 CRD SE Luxe airco-ACC 7 pers (3.750 EUR)

Locatie **Noord-Holland, Amsterdam**  
<https://www.advertentiax.nl/x-611210-z>

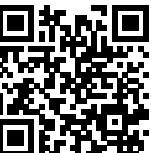

Bouwjaar: 2006  
 Kilometerstand: 344570 km  
 Versnellingstype: Automaat  
 Aantal deuren: 5  
 Brandstof: Diesel  
 Gewicht: 2050 kg  
 Cilinderinhoud: 2776 cc  
 Vermogen: 110 kW / 149 pk  
 APK datum: 22-01-2016  
 BTW/Marge: Marge  
 Kleur: grijs

## Bijzonderheden

Zeer Nette Chrysler Grand Voyager, in een goede technische staat. Met luxe opties- automatic climate control, cruise control, navigatie en overige opties. 7 persoons automaat uitvoering waarbij de achterste stoelen volledig in te klappen zijn, waardoor de auto zeer ruim, ook als een bedrijfsauto gebruikt kan worden.

Bel voor informatie en voor een afspraak tel: 0624905709 0651195058

## Optielijst

|                                                                                                                                                                                                                                                           |                                                                                                                                                                                                                                                            |                                                                                                                                                                                                                                                            |                                                                                                                                                                                                                                                            |                                                                                                                                                                                                                                                             |                                                                                                                                                                                                                                                              |                                                                                                                                                                                                                                                              |                                                                                                                                                                                                                                                              |                                                                                                                                                                                                                                                              |                                                                                                                                                                                                                                                              |
