Here for sale is my "Silver Bullet", a great highway bike HD V-Rod Muscle,Â designed by Porshe made byÂ Harley Davidson, USA.

This bike turns heads!

POWERED BYÂ a 1250ccÂ fuelÂ injectedÂ engine withÂ 122Â h.p.(91kW) andÂ 5 speed transmission.

Looks great, sounds even better!Â Â Incredibly powerful!

Adult owned, impeccably maintained, always garage kept, oil was changed every 3000 km. Many upgrades including Vance and Hines dual pipes, LED lights kit,Â passenger backrest, horn, handgrips, navigation, 2 small HD side bags.

Bike runs and looks like new. Never laid down, never dropped, has never seen bad weather,Â 100% garaged.
 I'm a second owner after my best friend sold it to me.Â The whole motorcycle history is present: Â first owner title (US), second owner title (NL), VIN history (US), Import Inspection act (RDW, NL).

New battery, oil & oil filter, air filter, air box gasket, spark plugs, brake pads, brake liquid, clutch liquidÂ replaced in July 2015.
 I'm the owner of a 2009 Harley Davidson V-Rod Muscle. I have owned this bike since 2009. I have never had any problems with it. I have never had any accidents. I have never had any mechanical problems. I have never had any electrical problems. I have never had any paint problems. I have never had any rust problems. I have never had any other problems. I would never sell my bike, but I have to do it due to my healthÂ problems. You have nothing to do, just enjoy of driving this!
