I have my wife car for sale.

Car is in more then perfect shape as a car from 2001. Has quite a lot of kilometers driven, but you don't see it, and don't feel it when you drive the car.
 Drives like brand new.

Gearbox is working beter then in a lot of new cars, also clutch and the engine itself works perfect.

Lak is in very good shape.

Car has a service book, and it was serviced in Ford Garage till 2013!!!

We moved to a diffrent city lately, and my wife don't need the car anymore to get to.
