

## 4x DL360 G3 (125 EUR)

Locatie **Noord-Holland, Amsterdam**  
<https://www.advertentiax.nl/x-624553-z>

Alle servers zijn getest en starten. Garantie tot de deur, de kosten zijn daar ook naar. Perfect voor een hobbieproject. Moeten weg wegens verhuizing. Ophalen gewenst, opsturen gaat denk aardig in de kosten lopen.

4x Prolian DL360G3

1.  
 4x 512 geheugen  
 2x voeding  
 2x Xeon 3.06 Ghz )  
 2x 72.8 GB disks  
 2 netwerkpoorten

2.  
 4x 512 geheugen  
 1x voeding  
 2x Xeon 3.06 Ghz )  
 2x 36.4 GB disksd  
 2 netwerkpoorten

|                                                                                                                                                                                                          |                                                                                                                                                                                                           |                                                                                                                                                                                                           |                                                                                                                                                                                                           |                                                                                                                                                                                                            |                                                                                                                                                                                                             |                                                                                                                                                                                                             |                                                                                                                                                                                                             |                                                                                                                                                                                                             |                                                                                                                                                                                                             |
