2x beschikbaar:
 HP Proliant ML110 G7 Core-i3 3.1GHz/8GB/2x300GB-15K P212-RAID/2xPSU

Robuuste, betrouwbare en in perfecte staat verkerende tower-server met zeer veel mogelijkheden.

Affordability, reliability, and simplicity make the HP ProLiant ML110 G7

Server the ideal first server for growing businesses.

Are you using your desktop as a server? If yes, then it is time for a change. A growing business like yours, with its limited in.house IT support, needs a server that is compact and suits the budget.and also one that you can remotely manage.

The HP ProLiant ML110 G7 Server delivers true server reliability and functionality for growing businesses, branch offices, and remote locations.all for the price of a typical desktop computer. It perfectly matches your business needs and helps you adapt to the future with confidence.

Very compact, the HP ProLiant ML110 G7 Server is the ideal first server for growing businesses. And the price is right. The HP ProLiant ML110 G7 Server is powered by the Intel® Core™ i3, Intel® Core™ i5, Intel® Pentium® Processor, or Intel® Celeron® Processor; network interface controllers (NICs), 2GB or 4GB DDR3 memory, and up to 8 SATA drive bays. The HP ProLiant ML110 G7 Server's 16 expansion slots, drive bays, and server options help deliver the expandability that your growing business needs.

Additionally, the HP SmartStart CD augments the installation process and helps you step up to your first server network with ease.

The optional trusted platform module (TPM) is an added advantage that brings further security to your IT architecture. Support for an energy-efficient redundant power supply (RPS) and integrated HP Integrated Lights-Out (iLO 3) remote management software brings down operational expenses by reducing the

number of physical visits to the server site.making it a practical and affordable solution.

Specificaties:

HP/Compaq Proliant ML110 G7 server in pedestal (tower) uitvoering
Intel® Core i3 Processor i3-2100 (3M Cache, 3.10 GHz, 2 cores, 5GT/s DMI)
