

## Partners gezocht op managersniveau

Locatie **Noord-Holland, Amsterdam**  
<https://www.advertentiax.nl/x-656779-z>

Spreken de kernwoorden die op bijgevoegde foto staan jou aan?  
 Ben je ouder dan 18 jaar, representatief, enthousiast en heb je doorzettingsvermogen?

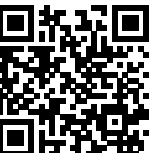

Dan nodig ik je graag uit voor een vrijblijvende bedrijfspresentatie.  
 Let op, het gaat hier niet om een baan, dit is een mogelijkheid om op zelfstandige basis inkomsten te creëren.  
 Geïnteresseerden kunnen een email sturen om op 1 van de genoemde data een afspraak in te plannen.

Met vriendelijke groeten,  
 Sandra

Recruitingsdata's:  
 3,4 en 5 Februari

Tijd:  
 Op afspraak

Locatie:  
 De Poppelse Hoeve  
 Nieuwstraat 3

|                                                                                                                                                                                                                         |                                                                                                                                                                                                                          |                                                                                                                                                                                                                          |                                                                                                                                                                                                                          |                                                                                                                                                                                                                           |                                                                                                                                                                                                                            |                                                                                                                                                                                                                            |                                                                                                                                                                                                                            |                                                                                                                                                                                                                            |                                                                                                                                                                                                                            |
