Zx7r 32000 km for sale.
 I have had this bike for the last 6 years.
 I have kept it in good condition.

It has
 New Michelin pilot power 2ct tires.
 Referbished rear caliper and new pads
 Hell steal brake lines
 New original exhaust full system
 Polished swing arm
 Carbs and valves were done 500km ago.

This bike rides like new.
 It's has a few marks but it is a bike from 1996.
 Mechanically it is sound.

It is also fitted with an alarm. I can remove that if the buyer would like.

Please feel free to call for more info.
 I can speak Dutch only writing is not my strong.
