

Renault - Clio 16V - 1992

Locatie **Noord-Holland, Amsterdam**  
<https://www.advertentiex.nl/x-692073-z>

Merk: Renault  
Model: Clio  
Uitvoering: 16V  
Kleur: BleuSport metallic (449)  
Motor: 1.8i 16v (motorcode F7P)  
Transmissie: handgeschakeld 5 versnellingen  
Bouwjaar: 1992  
1e Registratie: 13 januari 1992  
Afgelezen tellerstand: 162.925km  
APK geldig t/m: nieuw bij aflevering indien gewenst in overleg

Deze Renault Clio 16V is origineel Nederlands geleverd en heeft een Nederlands kenteken.

Er is een andere teller in gekomen omstreeks 2007, waardoor de afgelezen kilometerstand van 162.925 km lager is dan de werkelijke kilometerstand die waarschijnlijk iets boven de 200.000 km is.

Technisch is deze Clio in heel goede en gezonde staat. Recent is deze Renault Clio gerestaureerd en gespoten in BleuSport metallic. De &quot;Turbine&quot;-wielen zijn origineel en nagenoeg nieuw. De distributieset is vervangen in 2015. Er is een heel groot gedeelte van het onderhoudsschema beschikbaar van deze auto.

|                                                                                                                                                                                                                       |                                                                                                                                                                                                                        |                                                                                                                                                                                                                        |                                                                                                                                                                                                                        |                                                                                                                                                                                                                         |                                                                                                                                                                                                                          |                                                                                                                                                                                                                          |                                                                                                                                                                                                                          |                                                                                                                                                                                                                          |                                                                                                                                                                                                                          |
