

# Harley Davidson Sportster Iron 883 - 2014 (9.450 EUR)

Locatie Zuid-Holland, s-Gravenhage  
<https://www.advertentiax.nl/x-700925-z>

Hierbij te koop aangeboden:

In nieuwstaat verkerende Harley Davidson sportster iron 883.

bouwjaar: 2014  
 km-stand: 9.943 (wordt nog mee gereden)  
 kleur: mat zwart

- opties:
- vance and hines uitlaten (nieuw)
  - willie g skull cover
  - koplamp spoiler
  - keyless-go
  - alarm

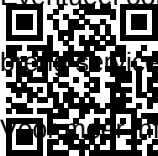

Het gaat hier om een originele 35KW variant (ook op kenteken). Rijbewijs A2 is dus voldoende om deze motor te mogen besturen.

Complete onderhoudshistorie, aankoopfactuur, boekjes en 2 sleutels aanwezig.

Eventueel ook leverbaar op chromen Rush uitlaten. (Zie laatste foto)

De afmetingen tegenwoordig met een vergoeding van 1000,- mogelijk.  
 Voor meer informatie kunt u ons altijd even mailen.

Met vriendelijke groet, Å

|                                                                                                                                                                                                                                        |                                                                                                                                                                                                                                         |                                                                                                                                                                                                                                         |                                                                                                                                                                                                                                         |                                                                                                                                                                                                                                         |                                                                                                                                                                                                                                         |
