Hi there I do not speak dutch but french and English, to begin with

I am selling my aunts phone who forgot her iCloud account.
 Basically the iphone is locked on iCloud activation
 You will have to wait for a tweak/hack to unlock it it's been more than 2months I'm waiting for the hack to come out, but then I decided to sell It since It is just sitting there.
 Price: 80€

The iphone is in perfect condition no scratch on the screen or at the back
 I also have all the papers of the purchase iphone which means this is NOT a stolen iphone. I have all proof and papers

EXCHANGE

Exchange is also possible with working android or phone equivalent to the iPhone 4s, send me your offers. We can talk.

Cheers
